Notes and Recommendations

(1) Slot: This column is for Agent's internal use only.

(2) Property/Wind Limit: The limit of insurance shown in the Property Schedule is the Replacement Cost established by a current appraisal as required by Florida Statute.

(3) Rated Flood Zone: Buildings rated Pre-Firm will not show a Rated Flood Zone on the Flood Policy. Buildings may qualify for the Grandfather Rule by having a Flood Policy in effect when a new flood map becomes effective if the coverage has been continuous. Therefore, the Rated Flood Zone shown on the policy we are certifying may not match your current Flood Zone Determination.
